

HONOR CODE

At WWP, we are all about small group communities characterized by mutual encouragement and support instead of competition and comparison. We commit to living out the following values:

Confidentiality

We agree that whatever is shared here stays here. This includes what is shared through phone calls, emails, etc. We want this group to be a safe place to grow.

Authenticity

We will seek to be open and honest with each other. Our small group is a place to take off our masks, be ourselves, and be accepted for who we are.

Respect

We agree to communicate in ways that are respectful, and to give advice only when it is requested. We are all at various points on our spiritual journeys. We commit to giving each other grace and to avoid throwing stones of judgment at one another.

Positivity

Negativity weighs down the ear, so we strive to communicate in a way that is filled with hope and encouragement.

A Spirit of Welcome

We agree to keep an empty chair for others and seek to reach out to other women who need this place of caring and growth.
